## From Toulouse (Blagnac) airport – 50 minutes:

From Toulouse airport follow the sign towards Toulouse.

After about 1 km you will see your first sign for Auch. Keep following the signs for Auch.

This will take you off the Toulouse peripherique and onto the N124.

Follow the N124 out of Toulouse for 50 kms, past Colomiers, through Leguevin, past l'Isle Jourdain and through Gimont.

Just as you leave Gimont there is a roundabout. Take the third exit in the direction of Saramon on the D12.

Follow the D12 for 10 kms and you will come to a main crossroads. Turning left would take you to Samatan; straight on, Saramon; and turning right would take you towards Pessan and Auch. Turn right towards Pessan and Auch on the D349.

After following the D349 for about 7 kms, you drive straight past the Aubiet/Castelnau Barbarens crossroads and continue on this road. There is another turning on the left to Castelnau Barbarens, do not turn here but keep on the same road bearing round to the right. You will pass a white water tower with aerials on the top about 50 metres from the road on your right. You are now on the D626.

After another 1 km there is a turning to the left. This is the corner of our property. Take the left turning. On the left is an open field, on the right a bank topped with trees. After 100 metres on the right you will see a set of large white gates on a pair of sandstone pillars. This is the main entrance to the chateau.

Drive through the gates and follow the avenue of ancient oaks past the vineyard and orchard on the right, and the tennis court with views of the pool and the valley beyond on your left. The avenue then turns left and the chateau is straight in front of you.

## From Bergerac airport – 2 hrs

Turn left out of the airport onto the N21 towards Agen. Keep on this road for about 80 km.

As you approach Agen you need to avoid the centre and aim to rejoin the N21 on the south side. Look for a left turning at Cours Victor Hugo and immediate right onto the D305 'Boulevard Eugène Pelletan'. After less than 1 km turn right onto the N113 'Avenue du Docteur Jean Bru'. At the end of this road is a roundabout where you can rejoin the N21 in the direction of Auch.

Continue for a further 35/40 km through the towns of Lectoure and Fleurance and into Auch.

You will come into Auch past an industrial Estate and up to a large roundabout. Continue over the roundabout heading for the centre of Auch. You will pass a Hotel Ibis on the roundabout..

You will still be on the N21. Continue up to a smaller roundabout (usually has lovely flower displays in the middle). You are now in the centre of Auch. Continue straight over the roundabout.. Continue for 1km and then the road splits, keep left. You will come up to a junction, you need to go straight over on to the 'Rue de 11 novembre' D626.

After another 1km you will come to a small roundabout, go straight over continuing on the D626. Pessan is signposted.

Continue for 5 km and drive through the centre of Pessan. After a further 5km you will be climbing a gentle hill and the road take a couple of turns and you should see the chateau nestled within trees on the right hand side of the road.

30 metres before the main chateau entrance is a turning for Lartigolle Ferme. Don't take this, we are on the right a little further on.
